- Each team shall supply 4 balls for the match. (Green for Green Grade, Orange for Orange Grade)
- There must be an adult supervisor from the club at each venue.
- Scoresheets must be filled out before the start of each match. One sheet is required from each team. SCORESHEETS MUST HAVE SURNAMES INCLUDED AND BE LEGIBLE.
- Points will be awarded for each match won with the winning team receiving an additional 2 bonus points for the win (eg 4-2 means the winner gets 6 points and the loser gets 2 points). In the case of a draw (3-3) the bonus point will be shared 1 each (there is no count back on sets or games unless it is a semi final or final where a winning team needs to be determined).
- Abandonment of play due to weather or safety factors is to be decided by all supervisors. Points for matches not completed are divided evenly between the 2 teams.
- Points are awarded 3 -3 for rained off ties. Score sheets must still be sent in for rain offs to let the recorder know. Rained out ties will be played at the discretion of the management committee if needed to settle final order.
- If the team is 1 player short the match can still proceed but the opposing team must be informed prior. Advise which ranking is missing so the opposite player of the same ranking will stand down. If 2 players are missing, the team must default and the opposing team must be informed prior and a result sheet sent to the recorder.

- Players in semi finals and finals should be the players that play regularly for that team.
- Completed and signed sheets from each team are to be forwarded to The Recorder by 4pm on the Tuesday following the match. Email to Steve Phelps – [jsphelps@xtra.co.nz](mailto:jsphelps@xtra.co.nz) or deliver to 121 Brooklands Road.
